Of Interest to People of this Community

There are perhaps more people today suffering from heart burn, sour stomach, bad breath, nausea, belching, and other irregularities arising from indigestion, than from any other ailment.

In this regard the Elk Drug Store takes pleasure in recommending to our readers the well known remedy, Kodol, for dyspepsia and indigestion. Kodol is a scientific preparation. It is a combination of vegetable acids with natural digestants and it contains the same juices found in the stomach of a healthy person. It is undoubtedly the most effective, prompt and satisfactory remedy we know of for stomach disorders.

Mr. Shelton, our popular druggist, has sent us a letter from a prominent resident of the state of Georgia, who tells his experience with Kodol. We gladly reproduce this letter.
